SMCFS8

EZ Switch 10/100
8-port Fast Ethernet Desktop Switch

Green Saving

Product Overview

The EZ Switch™ 10/100 (SMCFS8) is a Fast Ethernet desktop switch that is easy to install and improves network performance by offering speeds up to 200Mbps per port. Designed for easy integration with any home or small office network, the SMCFS8 contains added features like Store-and-Forward Switching and Flow Control to ensure data delivery and network integrity. The Green Saving feature automatically powers down ports that are not in use to help saving on energy costs and to make the network more eco-friendly.

Key Features and Benefits

Store-and-forward Technology
Flow Control and Store-and-Forward Switching with wire-speed filtering and forwarding rates ensure data delivery and network integrity.

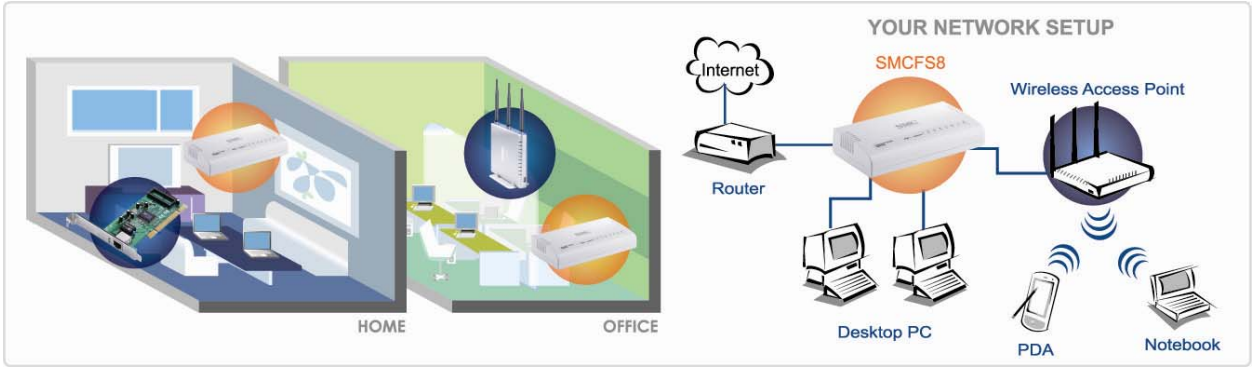
Easy-to-read LED Indicators
At-a-glance LED indicators per port simplify network troubleshooting.

Auto MDI/MDI-X on each port to simplify integration into a network
The switch automatically detects the cable and port configuration of the opposite connection. No cross-over cables required, pure plug-and-play.

Green Saving
Green Saving technology allows home and business users to save on energy costs, conserve energy and protect our environment.

Mini Design

Plug and Play



Features

PHYSICAL PORTS
- 8 x 10/100Mbps Nway ports (RJ-45)
- DC power socket

COMPATIBILITY
- 10Base-T (IEEE802.3)
- 100Base-TX (IEEE802.3u)
- Full Duplex Flow Control (IEEE802.3x)

SWITCHING DATABASE
- 2K MAC address entries

BUFFER MEMORY
- 768Kb per device

PERFORMANCE
- Aggregated Bandwidth: 1.6Gbps
- Throughput: 1.2Mpps

FEATURES
- Supports NWay protocol for speed (10/100Mbps) and duplex mode (Half/Full) auto-detection
- Wire-speed packet filtering and forwarding rate
- Store-and-forward architecture filters fragment & CRC error packets
- Green Saving technology to reduce power consumption

LEDS
- System: Power
- Port: Link/Activity

POWER REQUIREMENTS
- Input : 100~240V, 50/60Hz 0.2A
- Output : 5V/600mA

WEIGHT & DIMENSIONS
- 158g
- 150 x 80 x 30 mm

EMISSIONS
- FCC Class B
- CE
- VCCI Class B

TEMPERATURE
- Operating: 0~400C (32~980F)

WARRANTY
- Please check www.smc.com for the warranty terms in your country.
